- Why Talenteria?

Gain a competitive edge in recruitment with Talenteria AI hiring software.

Empower your recruitment with AI

Powered by generative AI resume screening, AI video interviews, candidate matching, content generation and a recruitment chatbot.

Reduce time and cost of hire

Save on talent acquisition costs without sacrificing quality of hire with AI recruiting.

Create an outstanding candidate experience

Build a smooth candidate journey and make every candidate touchpoint efficient.

Reduce bias

Reduce unconscious bias in candidate selection and support diversity and inclusion by evaluating every candidate on the same qualifications and skills.

What's inside

Eight core features, integrations and the services that help you get started.

- ✓ AI resume screening and video interviews
- ✓ Candidate matching and recruitment chatbot
- ✓ Career sites, content, surveys and analytics

- Talenteria features

Screen, interview and engage with AI

AI resume screening
